

Mission of Hope Work Day

On **May 15 - 9 am to 4 pm**, quilters from all over East Tennessee are invited to gather at the Mission of Hope warehouse to piece crib size quilts for children served by Mission of Hope. If you are not familiar with the Mission of Hope ministry and would like to learn more, check out their website <www.missionofhope.org>.

This is our 2nd work day organized by Smoky Mountain Quilters Guild of Tennessee. On October 4th 2008 we were able to make over 60 quilts for the children. We will need piecers with sewing machines, thread and walking feet; designer/pinners; and quality control checkers. We will be using the remainder of the soft, fuzzy fabric graciously donated Mammaw's Thimble, that is cut and ready.

Please bring a covered dish to share for lunch. Mission of Hope and SMQ will provide the plates, napkins silverware and drinks.

This will be a wonderful opportunity to meet other quilters from our area. Please talk it up at your guilds, sewing groups and bees. We will need an army of workers to make this a successful day.

Please watch for more information via e-mail, newsletters and meetings as we develop plans for this fun day. Contact Cyndi at cherrm1760@aol.com or 865-278-7796 with questions.

DIRECTIONS to Mission of Hope Warehouse:

Take Middlebrook Pike west to Amherst Rd. There is a sign for Party Rentals at the light and a big Amherst sign. Turn onto Amherst Rd, then left on Industrial Heights Dr. The warehouse is on the left. There is parking and an entrance to the warehouse at the first driveway. At the second driveway, there is a drop off area for unloading. After unloading, all cars will need to be parked at the 1st driveway parking area.
