

Quilt for large print fabric

Big pieces, but there are cornerstones and seams to match

Finishes 42 x 52

This is a good design if you have a large print and you want to be able to see the design.

CUTTING AND YARDAGE:

Fabric width 44-45 inches	Number of patches	Yardage estimate
	20	1 + 1/4
	30	1/4
	49	1

Cut 20 8.5 x 8.5 from
biggest print

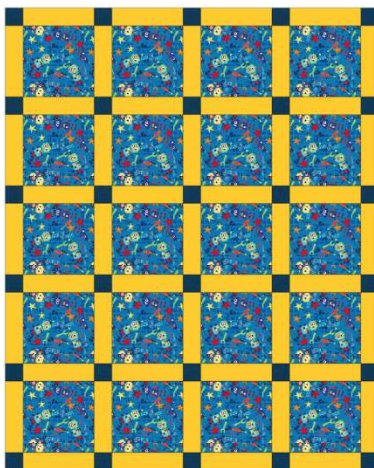

Cut 30 from smaller print
for cornerstones 2.5 x 2.5

Cut 49 2.5 x 8.5 for sashing

SEWING: Sew Sashing and cornerstones together like this to make 6 horizontal sashing strips.

Next sew vertical sashing to big blocks. Pay attention to the direction of the printed design. Orient all the blocks the same way and sew sashing at the sides like the drawing. You should have 5 rows like this.

Now sew horizontal sashing strips to the large block strips, matching seams and alternating horizontal sashing strips and big block strips until it looks like the picture at left.
