**Bitty Love**

\*\*\*Use only red/white/pink fabrics.\*\*\*

**Cutting:**

heart fabric

2 rectangles 2" x 3.5" (*both rectangles from the same fabric, not different fabrics*)

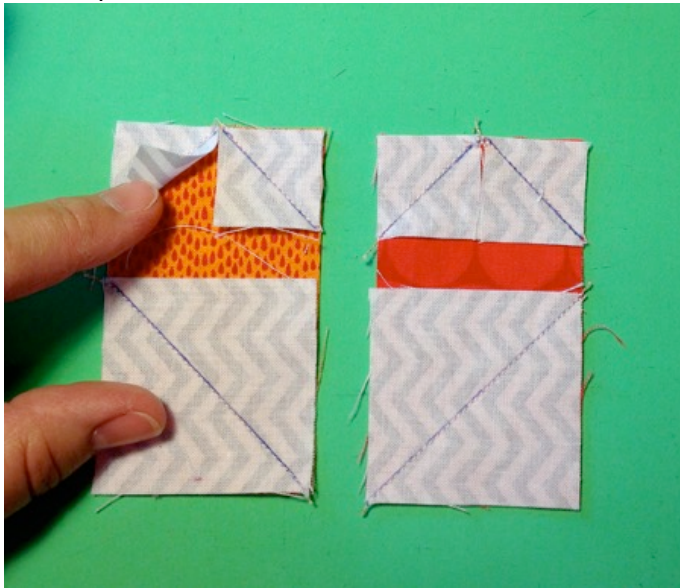

background fabric

4 squares 1" x 1"

2 squares 2" x 2"

**Sewing:**

Place two small background squares at one end of each rectangle, right sides together. Sew from top inner corner to bottom outside corner on each square. Be sure to sew them so they form a peak in the middle.

Place a 2" background square at the other end of each rectangle, right sides together. On the wrong side of both 2" squares, mark a diagonal line from upper outside corner to bottom inner corner. Sew on the line.

Trim the seams to 1/4".

Open the patches and press.

Sew the heart halves together. Do not add a border.
