

# Find the Perfect Thread Match for Your Project

Many quilters and sewists ask us the same question: Which thread should I use for piecing, quilting, sewing, garment construction, or in the bobbin? The answer depends on what you want your stitches to achieve. Sometimes, you need a strong thread for longarm quilting. Other times, a fine thread that blends into your fabric for piecing or sewing. This helpful guide makes it easier to choose the right thread, so you can enjoy sewing, quilting, and creating.
